

**CCM Health COVID-19 Public Informational Update:**

**CCM Health Building Access**

Patients needing access to CCM Health should use the main entrance or the emergency room entrance to enter the building. CCM Health will be closing the Rehab Services entrance and North entrance to better control screening patients when they enter CCM Health. If you have questions, please contact the department you are visiting by calling (320) 269-8877.

**Clinic Visits**

All patients will be directed to the triage nurse at registration before their appointment.

**CCM Health Educational Classes and Events**

All CCM Health public classes and groups, such as tobacco cessation, Parkinson's support group, Memory Care, Breast Feeding Classes, etc., are suspended until further notice.

**Visitors**

To protect the health of patients, visitors, and staff, hospital visits are temporarily restricted except in extreme circumstances (CCM Health staff will determine these on a case-by-case basis).

Visitors will be directed to the triage nurse when entering the facility.

**CCM Health Gift Shop**

The CCM Health gift shop has been closed until further notice.

**CCM Health Volunteers**

At this time, all volunteer opportunities have been cancelled. Volunteers will be notified when those opportunities are available again. Interested in becoming a CCM Health volunteer in the future? Please visit the CCM Health website by going to <https://ccmhealthmn.com/patients-visitors/volunteer>.

**Lobby and Waiting Area Cleanliness**

CCM Health has removed all magazines, newspapers, and other high use reading materials from patient waiting areas.
