## Drive-thru Testing Station Directions

### Updated March 18, 2020

Patients who have respiratory illness symptoms **and can no longer manage their care at home** should follow the below steps when seeking care at CCM Health in Montevideo, MN.

1. **FIRST, Call CCM Health at (320) 269-8877 and ask to speak with the triage nurse.**
2. If asked to come in for testing, please drive to CCM Health's drive-thru testing station. The drive-thru testing station is located north of CCM Health's Emergency Department. Please use the below map for directions. Directional signage has been placed on the boulevards to help.
3. When you arrive at the testing station, please pull your vehicle up behind the testing station and stay in your car. You will be directed by staff for next steps.
